

Just The Majority

[DJ Lubel](#)

Not all mexicans are lazy,
some lead productive lives,
and not all irishmen drink too much,
not all of them beat their wives,
not all jews are stingy and cheap,
they're all greedy that's a fallacy,
oh not all mexicans are lazy,
just the majority,not all blacks don't know their dads,
and some can't jump that high,
and not all asians look the same,
not all of them have tiny peni,
not all arabs have B.O,
some shower with authority,
oh not all blacks don't know their dads,
just the majority,and not all italians,
are members of the mafia,
and not all porturicans,
are diagnosed with chlamydia,
oh and not all wasps are gay,
with their pink shirts and pink vests,
and not all muslims are terrorists,
with dynamite strapped to their chests,
jihaaaaad,not all polish are stupid,
that's just a myth you will see,
and not all germans are nazis,
still they scare the fucking shit out of me,
and not all french are pussies,
though they surrender quite easily,
we all don't fit our stereotypes,
just the majority,
