

# Strength Of Character

## China Crisis

Try hard, try hard to care  
Give a little laughter  
And take a bigger share You really don't need no  
You really don't need sympathy  
Forever in danger, whatever we see Know why, know where and when  
Give into the same cause  
And talk I with the right men You really don't need no  
You really don't need sympathy  
Forever in danger, whatever we see Take time, time to compare  
Live a newer lifestyle  
And travel everywhere
