

# Trapped

## Lights of Euphoria

Nothing can change the things I did  
Nothing can force your body to live

Nothing can change the things I did  
Nothing can force your body to live

Trapped - I'm trapped  
Trapped - I'm trapped

Trapped - ignore the fact  
Trapped - inside your head  
Trapped - you can't get free  
Trapped - by society

Nothing can change the things I did  
Nothing can force your body to live

Nothing can change the things I did  
Nothing can force your body to live

Trapped - I'm trapped  
Trapped - I'm trapped

Trapped - ignore the fact  
Trapped - inside your head  
Trapped - you can't get free  
Trapped - by society
