

# Oh, How I Miss You Tonight

[k.d. lang](#)

Oh, how I miss you tonight  
Miss you when the lights are low  
Oh, how I need you tonight  
More then you'll ever know  
Each moment that we're apart  
You're never out of my heart  
I'd rather be lonely  
And wait for you only

Sweetheart  
How I miss you tonight  
Oh, how I miss you tonight  
Miss you when the lights are low  
Oh, how I need you tonight  
More then you'll ever know  
Each moment that we're apart  
You're never out of my heart  
I'd rather be lonely  
And wait for you only

Sweetheart  
How I miss you tonight  
Each moment that we're apart  
You're never out of my heart  
I'd rather be lonely  
And wait for you only

Sweetheart  
How I miss you tonight
