

Stop

Jimi Hendrix

You better stop it babe
You better stop it babe
Stop your jivin' 'round
Stop it baby
Stop your doggin' 'roundStop
Baby can't you see that I can't take it no more
Stop
Now baby can't you see I'm 'bout to go through the floorNever knew how good love could be
Love done gone and made a damn fool of me
Everything is hazy
One more kiss and you drive me crazy babyBaby stop
Hold it just a minute while I go catch my breath
Stop
Baby can't you see I'm bout to scare me half to deathThought I was the captain of my ship
Oh yeah love has gone and made me lose my grip
Everything is hazy
One more kiss and you drive me crazy babyStop, stop, stop, stopStop
Baby can't you see that I can't take it no more
You know how I'm feelin' baby
Stop
Baby can't you see I'm bout to go through the floorNever knew how good love could be
Love done gone and made a damn fool of me
Everything is hazy
One more kiss and you drive me crazy babyStop, stop, stop, stopYour jivin' baby
Your messin' around
Until mornin' timeStop it baby
Everyday, yeah
Stop your jivin' aroundStop, stop, stop, stop, stop, stop
