

# To Paris With Love (Original Version Radio Edit)

## Donna Summer

Been around the world  
Been around the world (t'es mon coeur)  
Been around the world (t'es mon coeur)  
Been around (t'es mon coeur)  
Been around the world Louis, Louis, Louis Vuitton  
Louis, Louis, Louis Vuitton I fell in love when I walked the streets of Paris  
I fell in love when I walked the streets alone If you're lucky tonight, in the city of lights  
You'll find someone to call your own  
I fell in love, now I made Paris my home You're my lover, you're my heart  
On my arms, tell me something, tell me something, tell me something If you're looking for love then you've got  
to go to Paris  
If you're looking for love then you've got to go alone If you're looking for love then you've got to go to Paris  
If you're looking for love then you've got to go alone Been around the world  
Been around the world  
Been around the world  
Been around  
Been around the world You'll fall in love when you walk the streets of paris  
(Paris, the city of love)  
You'll fall in love when you make paris a home, oh, oh! If you're lucky tonight, in the city of lights  
You'll find someone to call your own  
You'll fall in love, when you make Paris a home Thanks my lover, you're my soul, you're so soft

If you're looking for love then you've got to go alone If you're looking for love then you've got to go to Paris  
(Louis, Louis, Louis my baby)
