Go Home Get Down

Death from Above 1979

So that you're not alone
I wanna take you home with me
Well let's stay up all night
Or you can while I fall asleepDon't ask, I don't know
This is all, this is on
Don't tell me you don't know
I'll come back when I goCome on, let's go home
You're my friend, I want you to know
Don't tell me you don't know
I'll come back if I goSo if you tell me that you'll have me
Never leave me till I die, why try?
But if we're living and we're happy and
I come back when I go, you will knowSo if you tell me that you'll have me
Never leave me till I die, why try?
But if we're living and we're happy and
I come back when I go, you will knowDon't ask I don't know
I'll come back when I go
