

# Love Song For No One

[John Mayer](#)

Staying home alone on a Friday  
Flat on the floor looking back  
On old love  
Or lack thereof  
After all the crushes are faded  
And all my wishful thinking was wrong  
I'm jaded  
I hate it I'm tired of being alone  
So hurry up and get here  
So tired of being alone  
So hurry up and get here  
Get here Searching all my days just to find you  
I'm not sure who I'm looking for  
I'll know it  
When I see you  
Until then, I'll hide in my bedroom  
Staying up all night just to write  
A love song for no one I'm tired of being alone  
So hurry up and get here  
So tired of being alone  
So hurry up and get here  
Get here I could have met you in a sandbox  
I could have passed you on the sidewalk  
Could I have missed my chance  
And watched you walk away?  
Oh no way I could have met you in a sandbox  
I could have passed you on the sidewalk  
Could I have missed my chance  
And watched you walk away? I'm tired of being alone  
So hurry up and get here  
So tired of being alone  
So hurry up and get here  
Get here I'm tired of being alone  
So hurry up and get here  
I'm so tired of being alone  
So hurry up and get here oh yeah You'll be so good  
You'll be so good for me
