

# Live Your Dream

## Reel Big Fish

You say, I do everything the wrong way  
Why don't I do it your way?  
Then maybe someday  
I'll be just like you But I say I'm gonna do it my way  
The "I might fail but I'll try" way  
Well that's been done but it's okay  
I'll do what I wanna do 'Cause I don't want to live your dream  
I don't want to live your dream No way, I'll take the chances this time  
I've gotta go and live life  
And I won't let you try and take mine  
I just won't let you 'Cause I don't want to live your dream  
I don't want to live your dream  
I won't change what I believe  
I won't change what I believe So try to hold me if you want  
Try to control me if you want  
But you won't keep me down  
I'm not your clown  
I've got to find my own way now  
So try to hold me if you want I say, I'm gonna do it my way  
The "I might fail but I'll try" way  
Well, that's been done but it's okay  
I'll do what I wanna do 'Cause I don't want to live your dream  
I don't want to live your dream  
I won't change what I believe  
I won't change what I believe You say, I do everything the wrong way
