

Day Of Wreckoning

Escape the Fate

Am I the only one
Stuck in this endless hallway
I hear voices makin' fun
Cause every door that I walk in leads to nothing
What is all of this about
I've been slowly dying out I've been down and down this road before
Now comes my day of reckoning
Can you hear the angels singin'
I hear them call my name Your words hit me like a wrecking ball
Tears through establishments
I've been through so much suffering
My patience is running thin
I've been slowly dyin' out I've been down and down this road before
Now comes my day of reckoning
Can you hear the angels singing
I hear them call my name Can you feel the drummers beating
Their marches shake the earth from me
Can you hear the angels signing
I hear them call my name, call my name Oh, no more of this suffering
No more of this war
