Please Don't Forget

Coko

The conscience you had was abandoned by your brand new ways.
A new way of living.
The purpose I planed fro you has made a detour, you've changed.
Changed from who you are and who you're to be.
How could you simply forget, Me?I gave you life, it means nothing to you.
Gave you my hand the rock that you cling to.
I was here first, and I'll be here when they all leave.
So please don't forget about me.Remembering back to the times when It seemed you were lost.
You were lost and alone. You called My name and as promised, I came and saved you.
And I have a question, can you tell me where would you be if not for, Me?I gave you life, it means nothing to you.
Gave you MY hand the rock that you cling to.
I was here FIRST and I'll be here when they all leave.
So please don't forget about Me...Oh! Ooohh,ohhhh,ohhhhhhh,ooooohhhhh,ooohhhh.(Chorus)
Please don't forget, please don't forget about Me...
