

# Jackson (Duet With K.D. Lang)

[Ann Wilson](#)

All the way to Jackson  
I don't think I'll miss you much  
All the way to Jackson  
I don't think I'll miss you much  
Once I get to Lafayette  
I'm not gonna mind one bit  
Once I get to Lafayette  
I'm not gonna mind one little bit  
Once I get to Baton Rouge  
I won't cry a tear for you  
Once I get to Baton Rouge  
I won't cry a tear for you  
All the way to Jackson  
I don't think I'll miss you much  
All the way to Jackson  
I don't think I'll miss you much  
Once I get to Vicksburg  
I don't think I'll feel the urge  
Once I get to Vicksburg  
I won't even feel an urge  
All the way to Jackson  
I don't think I'll miss you much  
All the way to Jackson  
I don't think I'll miss you much
