

# Letters From Earth (B-Side Version)

## Black Sabbath

Well it's a cold world  
And I'm in the middle  
Caught in the in-between I don't belong here  
So I'm writing to you  
It's wrong here  
Where I'm sending you some Letters from earth, yeah Well it's a new world  
And now I'm a stranger  
Stranger than you know I don't belong here  
And I'm writing to you  
With blood on my hands What if I send you madness  
What if I send you pain  
And letters from earth, ooh  
All right Come on it's another game  
But you gotta play on  
Cause they say it's just pretend  
Ask them why they say you'll never, never die  
Come on the game is called the end Well it's a cold world  
And I'm in the middle  
Caught in the in-between I don't belong here  
So I'm writing to you  
Hey let me explain What if I send you confusion  
What is the time and the pain worth  
Oh no no  
I'm only sending  
Letters from the earth Letters from earth
