

Straight Through My Heart

Backstreet Boys

In the heart of the night when it's dark
In the lights I heard the loudest noise
A gunshot on the floor, oh, oh I looked down and my shirt's turning red, I'm spinning around
Felt her lips on my neck and her voice
In my ear like I missed you, want you tonight Straight through my heart, a single bullet got me
I can't stop the bleeding, oh
Straight through my heart, she aimed and she shot me
I just can't believe it, oh No, I can't resist and I can't be hit
I just can't escape this love
Straight through my heart, soldier down
My heart, soldier down, my heart Thought I moved more than on
Thought I could fool her charm
I really wanna go but I can't leave her alone, oh, oh Hear the sound of a love so loud
I just can't, I just can't ignore this feeling
Said she missed me and she wants me, wants me tonight Straight through my heart, a single bullet got me
I can't stop the bleeding, oh
Straight through my heart, she aimed and she shot me
I just can't believe it, oh No, I can't resist and I can't be hit
I just can't escape this love
Straight through my heart, soldier down
My heart, soldier down, my heart In the heart of the night when it's dark
In the lights I heard the loudest noise
A gunshot on the floor, oh, oh Straight through my heart, a single bullet got me
I can't stop the bleeding, oh
Straight through my heart, she aimed and she shot me
I just can't believe it, oh No, I can't resist and I can't be hit
I just can't escape this love
Straight through my heart, soldier down
My heart, soldier down, my heart Straight through my heart, soldier down
My heart, soldier down, my heart, my heart, my heart
Straight through my heart, soldier down
My heart, soldier down, my heart
