

Get Up and Boogie

Corona

I'm gonna give you all I've got
You gotta get me higher
You gotta do the best you can
Unchaining my desire You're the best in town, the number one
Why don't you prove it?
Show me all your love, shake it baby
Shake it, move it I'm gonna give you all my love
I'm gonna get you higher
Come on get up and boogie now
Come on light up my fire And I'll keep going on and on
All night until the morning light
And I won't stop, I'll go ahead
Until you 're really satisfied Get up, get up, get up and boogie
Get up, get up and move your body
Get up, get up and boogie, woogie
Boogie, boogie, woogie, woogie Get up, get up, get up and boogie
Get up, get up and move your body
Get up, get up and boogie, woogie
Boogie, boogie, woogie, woogie You gotta get me higher
Higher, higher, higher
Bingo, lingo, dingo, rango
I'm gonna dance a tango Helston, ucci, gucci
I'm gonna get Fiorucci
Yo oh, yo oh, yo oh
I'm going to Idaho We gotta live together
Let's sing this song forever
You gotta shake it baby
There is not time for maybe Paris, New York, Miami
Ibiza, Barcelona
Get up and move your body
You're dancing with Corona Get up, get up, get up and boogie
Get up, get up and move your body
Get up, get up and boogie, woogie
Boogie, boogie, woogie, woogie Get up, get up, get up and boogie
Get up, get up and move your body
Get up, get up and boogie, woogie
Boogie, boogie, woogie, woogie Get up, get up, get up and boogie
Get up, get up and move your body
Get up, get up and boogie, woogie

Boogie, boogie, woogie, woogie
Get up, get up, get up and boogie
Get up, get up and move your body
Get up, get up and boogie, woogie
Boogie, boogie, woogie, woogie
