

All For Leyna

Billy Joel

She stood on the tracks
Waving her arms
Leading me to that third rail, SHOCK
Quick as a wink
She changed her mindShe gave me a night
Thats all it was
What will it take until I STOP
Kidding myself, wasting my time, whoaTheres nothing else I can do
Cause Im doing it All For Leyna
I dont want anyone new
Cause Im living it All For Leyna
Theres nothing in it for you
Cause Im giving it all to LeynaWe laid on the beach
Watching the tide
She didnt tell me there were, ROCKS
Under the waves
Right off the shoreWashed up on the sand
Barely alive
Wishing the undertow would, STOP
How can a man take anymore, whoaTheres nothing else I can do
Cause Im doing it All For Leyna
I dont want anyone new
Cause Im living it All For Leyna
Theres nothing in it for you
Cause Im giving it all to LeynaIm failing in school
Loosing my friends
Making my family loose their minds
I dont want to eat
I dont want to sleep
I only want Leyna, one more timeNow, Im in my room
Watching the tube
Telling myself, she still may, DROP
Over to say, shes changed her mindSo, I wait in the dark
Listening for her
Instead of hearing my old man saying, STOP
Kidding yourself, wasting your timeTheres nothing else I can do
Cause Im doing it All For Leyna
I dont want anyone new
Cause Im living it All For Leyna

Theres nothing in it for you
Cause Im giving it all to Leyna**~Band Solo~**All For LeynaAll For LeynaAll For LeynaAll For LeynaAll
