

Foul Owl On The Prowl

The Little Willies

There's a foul owl on the prow! tonight.

Hey, little lark, get outta the dark,
Foul owl on the prow!

Hey little jay, stay out of his way,
Foul owl on the prow!

You just might be the quail he'll tail,
Foul owl on the prow!

You just might be the swallow he'll follow,
Foul owl on the prow!

If you hear him hoot, scoot,
If you pass his tree, flee,
If you catch his eye, fly,
Don't wait to say goodbye.

He's got a yen for a purty little hen,
Foul owl on the prow!
He's hungry for a chick, so get home quick,
Foul owl on the prow!

If you hear him hoot, scoot,
If you pass his tree, flee,
If you catch his eye, fly,
Don't wait to say goodbye.

He's got a yen for a purty little hen,
Foul owl on the prow!
He's hungry for a chick, so get home quick,
Foul owl on the prow!
Foul owl on the prow!
Foul owl on the prow!
Foul owl on the prow!
Foul owl on the prow!
Foul owl on the prow!
