Eliane

I wish I was a neutron bomb, for once I could go off
I wish I was a sacrifice but somehow still lived on
I wish I was a sentimental ornament you hung on
The Christmas tree, I wish I was, the star that went on top
I wish I was the evidence, I wish I was the grounds
For 50 million hands upraised and open toward the skyI wish I was a sailor with someone who waited for me
I wish I was as fortunate, as fortunate as me
I wish I was a messenger and all the news was good
I wish I was the full moon shining off your Camaro's hoodI wish I was an alien at home behind the sun
I wish I was the souvenir you kept your house key on
I wish I was the pedal brake that you depended on
I wish I was the verb 'to trust' and never let you downI wish I was a radio song, the one that you turned up
I wish, I wish
