

# Wait For Me

## Boy With A Fish

You are not alone tonight  
Imagine me there by your side  
It's so hard to be here so far away from you  
I'm counting the days till I'm finally done  
I'm counting them down, yeah, one by one  
It feels like forever till I return to you  
But it helps me on those lonely nights  
It's that one thing that keeps me alive  
Knowing that you wait for me  
Ever so patiently  
No one else knows the feeling inside  
We hang up the phone without saying goodnight  
Because it's the sound of your voice that brings me home  
It's never been easy to say  
But easier when I've gone away  
Knowing that you wait for me

Ever so patiently  
Yeah, you're everything I've ever dreamed of having and  
It's everything I need from you just knowing that you wait for me  
What I'd give  
What I'd do  
Knowing I'm not there for you  
Makes it so hard to leave  
What I'd give  
What I'd do  
Anything to get me home to you  
And this time I'll stay  
And you wait for me  
Ever so patiently  
Yeah, you're everything I've ever dreamed of having and  
It's everything I need from you just knowing that you wait for me
