Move Slow

Pat Lok

Wake up, wake up, wake up
Do you feel the movement in your gut
Just take two more pills
Or this ll be the last time
You ve gotta make a hit, you ve gotta make it stick
And now it s running through my blood
There s a five-letter word that s been
Eating away at me
They want to steal all my pride
They want to steal all my dignity
I m not gonna sit back
(I m not gonna sit back)
And let this world get to me
I don t wanna move
I don t wanna move slow, slow
I don t wanna move
I don t wanna move slow, slow
Wake me up when it s said and done
Cause I don t wanna be, no I don t wanna be
Any part of this

Have you thought about what we have been through
They say move faster
Hurry up and give us the good one
Don t put up a fight and don t make this
Any harder than it has to be
They want to steal all my pride
They want to steal all my dignity
I m not gonna sit back, no! (no, no .)
I just won t let this go
I don t wanna move
I don t wanna move slow, slow
I don t wanna move
I don t wanna move slow, slow
[solo]I don t wanna move
I don t wanna move slow, slow
I don t wanna move
I don t wanna move slow, slow
[repeat]
