

# Droom Kit

## JEFF the Brotherhood

Can I take you to dinner, Show me some of your feats  
Let's go I like it, Like it, Like it, Like it, Like it, Like it, Like it Strike the drum  
Now the other one  
Brum-bum-bum  
Bang, Bang, Bang Jake plays drums in another band, Jamin plays drums in another band too  
Justine Will learn how to play drums, In another band, In the future Woah  
Who are you  
What is that sound  
Owww We're in other bands  
But they're not that good  
We have places to be
