

# Jimmy Buffett

## Haha-Yo

Actin a fool because thats how I does it  
99 problems cant think nothing of it  
But when I sing, my song, the girls, they love it  
I think Im Jimmy Buffett, I think Im Jimmy Buffett I'm the first one on the beach, last one to leave  
And Ive forgotten everything that I believed  
I might throw my Blackberry in the sea  
And find a girl to put lotion on me  
I'm the man on the beach and in my hand,  
I got a John Daly with a pinch of sand  
F-word, yo, im workin on my tan  
We aint goin back baby girl I got a plan  
Soon enough well be living in the movies  
I got ideas that are bigger than your boobies  
Pokin out on that little pink bikini  
My boardshorts let the breeze hit my peepee  
And I, only got one worry,  
If you can get a DUI on surrey Actin a fool because thats how I does it  
99 problems cant think nothing of it  
But when I sing, my song, the girls, they love it  
I think Im Jimmy Buffett, I think Im Jimmy Buffett Beach cruiser, basket on the front  
Big banana ?, thats how ya stunt  
Bunch of butt cheeks, baskin in the sun  
Spill my whole drink, pass another one  
First name Tommy, last name Bahama  
The way I rock floral, make a girl ha ha  
I'm just gonna kick it, straight hiyaya  
And if I gotta pee, jumpin in the aqua  
And she love it, got a red bucket  
Wiffle ball bat, bout to john kruk it  
Sleepin on my side, feelin like a flounder  
This the only thing I got on my calendar  
Getting shitty, then go mini-golfin  
Wait I think I see a dolphin Actin a fool because thats how I does it  
99 problems cant think nothing of it  
But when I sing, my song, the girls, they love it  
I think Im Jimmy Buffett, I think Im Jimmy Buffett I'm just wastin away, we could do this all day  
Hey little mommy, put some lotion on it  
I'm just wastin away, we could do this all day  
All day, ay, ay, ay, ayayayayyy Actin a fool because thats how I does it

99 problems cant think nothing of it  
But when I sing, my song, the girls, they love it  
I think Im Jimmy Buffett, I think Im Jimmy Buffett
