

Come Out, Come Out Wherever You Are

Dionne Warwick

Come out, come out
Wherever you are
I know, I know
You're not very far
How I wish you'd hurry
'Cause I'm inclined to worry
These arms of mine are open
Hopin' you'll appear
Where are you, dear?
Come out, come out
Wherever you are
Come out, come out
From under that star
Yes, and incidentally
Mentally I'm not up to par
So come out, come out
Come out wherever you are
Come on out, come out
Wherever you are
Take off, take off
From your Shangri-La
Yes, and incidentally
Mentally I'm not up to par
So come out, come out
Come out wherever you are
Come out, come out, come out
Come out, come out, come out
Come out, come out, come out
Wherever you are
