All the Way

Forever JONES

I won't give up
I won't give in
No turning back for me
I've got my eyes on the finish line
There Jesus is waiting, He's waiting there.I won't give up
I can't give in
No turning back for me
I've got my eyes on the finish line
I know that Jesus is waiting, He's waiting thereAll the way, I'm going all the way
All the way, I'm going all the way,
All the way, I'm going all the way
I'm going all the way with the LordAll the way, I'm going all the way
All the way, I'm going all the way,
All the way, I'm going all the way
I'm going all the way with the LordI've cross the line, I'm going all the way
I've cross the line, I'm going all the way
I've cross the line, I'm going all the way
I'm going all the way with the LordNo turning back, I'm going all the way
No turning back, I'm going all the way
No turning back, I'm going all the way
I'm going all the way with the LordGod's on my side, I'm going all the way
God's on my side, I'm going all the way
God's on my side, I'm going all the way
I'm going all the way with the LordI'm going all the way with the Lord
I'm going all the way with the Lord
I'm going all the way with the LordGod You're with me
You never leave
You by my side
You carry me, And I can't stop
This time, I'm going all the way
