

# Pass the Peas

## The J.B.'s

Hey Bobby, why do you like soul food?  
Because it makes me ... ha-a-a-py  
Pass the peas, the cheese,  
Pass the peas like we used to say it  
Pass the peas like we used to say it  
Pass the peas like we used to say it  
Come on now!(Trombone solo)  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
Pass the peas  
(fade)
