

I Miss You

DMX

I know that my savior lives
And at the end he will stand on this earth
My flesh may be destroyed, yet from this body, I will see god
Yes, I will see him for myself and I long for that moment
Grandma, I really miss you and it ain't been the same
I drop a tear when I hear yo' name
Mariella Holloway, why you gotta be so far away?
Used to say, "Don't worry, it's gon' be okay"
But it ain't, it's like when you left, you took the Lord witchu
Why couldn't I come when he came to get you?
Damn I really miss you, I had to say it again
I remember the time when I was like ten
Crept up in the neighbor's yard, yeah, bein' hard headed
You told me I would get it, you said it
And boy did I get it but after you spanked me, you hugged me
Kissed me on my forehead, told me that you love me
And I saw, that it hurt you, more than it hurt me
I thought how bad could this hurt be? I know now
That's why it's only done out of love
What I wouldn't give for one mo' hug from grandma
Baby it's gon' be okay
Baby it's gon' be okay now
Baby it's gon' be okay
Baby it's gon' be okay now
What I'm about to say, "A couple of family members is gon' hate me"
But I'ma let you know what's been goin' on lately
Now you know since you left, a lot of things witcho kids done changed
Yeah Jackie's still crazy, don't know what's up with James
Ain't seen Jerry in a while, you know he walk like
you
And Renee's back in jail, you know she talk like you
Ricule doin' real good now, she workin'
Rhonda's still runnin' around, trickin', jerkin'
Buckeye's buggin', he done lost his mind
And Jarvis, back out of jail, doin' fine
Kylie, he done changed, it ain't all about self
As for my father, well, that's somethin' else
But that's my dog, he hold his grandmother down
My great grandmother, makin' a lot of trips out of town
Bud that's a good thing and if I could only hear you sing
Once more, oh Lord, the comfort it would bring
Baby it's gon' be okay
Baby it's gon' be okay now
Baby it's gon' be okay
Baby it's gon' be okay now
You left behind a mother, eleven kids, eleven grandkids
And since then, two of yo' grandkids done had kids
They had a boy named Tacoma, Xavier's brother, that's right
Xavier made you a great grandmother
I thank you for the best times of my life
I thank you for when you first met her, accepted and lovin' my wife

I thank you for those Sunday dinners, they were vital
I thank you for my life, I thank you for the bible I thank you for the songs that you sing in the mornin' while I'm
yawnin'
I thank you for the two beatings you gave me
'Cause I know somewhere along the line
The lesson I learned from the two beatings saved me And when you died I cried like a baby, I begged the Lord to
take me
'Cause no one else could give me what you gave me
But life like everything comes to an end
I pray I go to Heaven to see you again, Amen Baby it's gon' be okay
Baby it's gon' be okay now
Baby it's gon' be okay
Baby it's gon' be okay now Baby it's gon' be okay
Baby it's gon' be okay now
Baby it's gon' be okay
Baby it's gon' be okay now Amazing grace, how sweet the sound
That saved a wretch like me
I once was lost but now I'm found
Was blind but now I see, yeah
