

Lay Back in the Arms of Someone

[Smokie](#)

If you want my sympathy
Just open your heart to me
And you'll get whatever you'll ever need You think that's too high for you
Oh baby, I would die for you
When there's nothin' left, you know where I'll be Lay back in the arms of someone
Give in to the charms of someone
Lay back in the arms of someone you love Lay back in the arms of someone
When you feel you're a part of someone
Lay back in the arms of someone you love So baby, just call on me
When you want all of me
And I'll be your lover, I'll be your friend And there's nothin' I won't do
'Cause baby, I just live for you
With nothin' to hide, no need to pretend, oh oh Lay back in the arms of someone
Give in to the charms of someone
Lay back in the arms of someone you love Lay back in the arms of someone
When you feel you're a part of someone
Lay back in the arms of someone you love Oh, I know you think that's too high for you
Well baby, I would die for you
When there's nothin' left, I'll be with you, oh oh Lay back in the arms of someone
Give in to the charms of someone
Lay back in the arms of someone you love Lay back in the arms of someone
When you feel you're a part of someone
Lay back in the arms of someone you love, oh yeah Lord, I know
