Lay Back in the Arms of Someone

Smokie

If you want my sympathy
Just open your heart to me
And you'll get whatever you'll ever needYou think that's too high for you
Oh baby, I would die for you

When there's nothin' left, you know where I'll beLay back in the arms of someone

Give in to the charms of someone

Lay back in the arms of someone you loveLay back in the arms of someone When you feel you're a part of someone

Lay back in the arms of someone you loveSo baby, just call on me
When you want all of me

And I'll be your lover, I'll be your friendAnd there's nothin' I won't do 'Cause baby, I just live for you

With nothin' to hide, no need to pretend, oh ohLay back in the arms of someone

Give in to the charms of someone

Lay back in the arms of someone you loveLay back in the arms of someone

When you feel you're a part of someone

Lay back in the arms of someone you loveOh, I know you think that's too high for you Well baby, I would die for you

When there's nothin' left, I'll be with you, oh ohLay back in the arms of someone Give in to the charms of someone

Lay back in the arms of someone you loveLay back in the arms of someone

When you feel you're a part of someone

Lay back in the arms of someone you love, oh yeahLord, I know
