

Because I Love You

Stevie B

I got your letter from the postman just the other day
And so I decided to write you this song
Just to let you know, exactly the way I feel
To let you know my love's so real Because I love you, I'll do anything
I'll give you my heart, my everything
Because I love you, I'll be right by your side
To be a light, to be your guide If you should feel that I don't really care
And that you're starting to lose ground
Just let me reassure you that you can count on me
And that I'll always be around Because I love you, my heart's an open door
Girl won't you please come on in
Because I love you, I'll be right by your side
To be a light, to be your guide
