Alive

Sia

[Sia]
I was born in a thunderstorm
I grew up overnight
I played alone
I'm playing on my own
I survived
Hey
I wanted everything I never had
Like the love that comes with life
I wore Ambien and I hated it
But I survivedI had wanted to go to a place where all the demons go
Where the wind don't change
And nothing in the ground can ever grow
No hope, just lies
And you're taught to cry in your pillow
But I'll surviveI'm still breathing
I'm still breathing
I'm still breathing
I'm still breathing
I'm alive
I'm alive
I'm alive
I'm aliveI found solace in the strangest place
Way in the back of my mind
I saw my life in a stranger's face
And it was mineI had wanted to go to a place where all the demons go
Where the wind don't change
And nothing in the ground can ever grow
No hope, just lies
And you're taught to cry in your pillow
But I'll surviveI'm still breathing
I'm still breathing
I'm still breathing
I'm still breathing
I'm alive
I'm alive
I'm alive
I'm aliveYou took it out, but I'm still breathing
You took it out, but I'm still breathing

You took it out, but I'm still breathing
You took it out, but I'm still breathing
You took it out, but I'm still breathing
You took it out, but I'm still breathing
You took it out, but I'm still breathing
You took it out, but I'm still breathingI had made every single mistake
That you could ever possibly make
I took and I took and I took what you gave
But you never noticed that I was in pain
I knew what I wanted; I went in and got it
Did all the things that you said that I wouldn't
I told you that I would never be forgotten
I know that's part of youAnd I'm still breathing
I'm still breathing
I'm still breathing
I'm still breathing
I'm alive (You took it out, but I'm still breathing)
(You took it out, but I'm still breathing)
I'm alive (You took it out, but I'm still breathing)
(You took it out, but I'm still breathing)
I'm alive (You took it out, but I'm still breathing)
(You took it out, but I'm still breathing)
I'm aliveI'm alive
I'm alive
I'm alive
I'm alive
