Too Many Chiefs

Retard-O-Bot

Please Jesus Christ almighty please empower me with your ultimate forcesEat me for lunch
fuck me for diner
Oh no no please please tell me that I am a winner
Dream do not come true at least not for me
I don't ask for much motherfucker give me somethingOh no here we go again
Oh shit here we go again
Oh fuck here we go againYou've seen my finger is again
Now do what you do and fuck and break downWhen you draw the line its time and time again
I'm working oh so hard in fact I'm losing all my friends
Dream do not come true at least not for me
I don't ask much Motherfucker give me somethingOh no here we go again
Oh shit here we go again
Oh fuck here we go againYou've seen my finger is again
Now do what you do and fuck and break down
Name the city Anywhere
everyone's showing up
All just started needing you
Cause everywhere theirs shitPerfect dream that kills you
Cause it's the dream that kills you
Fucking get a clue
of what the fuck is going on around you
Boom your done Boya it over
Mother fuckers are we their
to say who fucking killed youit's the dream that kills you
Fucking get a clue
of what the fuck is going on around you
Boom your done Boya it over
Mother fuckers are we their
to say who fucking killed youFuck work give me back my friends
Fuck love give me back my friends
Fuck work give me back my friends
Fuck You
