Thank You

Fusebox

I just want to thank You Jesus
I just want to thank You LordLord, You were there when I was young
Watching me play, watching me run
Lord, You were there the first day of school
Holding my hand, seeing me through
You've always been my invisible FriendI just want to thank You, Jesus
I just want to thank You, LordLord, You were there when I was a teen
Filling my mind with so many dreams
Lord, You were there even through college
Starving for truth, lost in the dark
You were at my side through the worst of timesI just want to thank You, Jesus
I just want to thank You, Lord
I just want to thank You, Jesus
I just want to thank You, LordYou are my constant through these changing years
Father, Your love has never failed me yet
Where would I be if You werent in my life
I would be so lost without You, so lostLord, thank YouNow I just want to thank You, Jesus
Now I just want to thank You, Lord
Now I just want to thank You, Jesus
Now I just want to thank You, LordNow I just want to thank You, Jesus
Now I just want to thank You, Lord
