

Practice Space

Sioux Falls

i feel so october
and what exactly is a human anyway?
i think you're cooler when you're sober
arcata beaches
swimming out amongst the waves we smoked a spliff outside the practice space
your face was sinking in and warping out of place
i said the sky's a different shade
you said it tends to happen fast this time of day
i loved you soon as i first saw you
bathed in blue across the room you looked so cool
it feels like shit when i think about it now
but i'd still like to love you somehow
