Birthday Song

Kim Wilde

Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh

ThereÂ’s a forest, a beautiful place
The sun always shines upon your face
And the wind blows away
The troubles inside your mind

YouÂ’ll find your secret garden
A place that nobody knows (nobody knows)
Where you can go

(scarlett) the world looks bright today but one day youÂ’ll want to cry
(scarlett) (ah-ah) and when your sky looks grey thereÂ’s one thing I hope youÂ’ll know
ThereÂ’s a place you can go

In the distance, your life in the wings
Who knows what emotions it will bring
But the secrets you hold will help you through anything

(ah-ah) youÂ’ll find your secret garden
(ah-ah) a place that nobody knows (nobody knows)
Where you can go

(scarlett) the world looks bright today but one day youÂ’ll want to cry
(scarlett) (ah-ah) and when your sky looks grey thereÂ’s one thing I hope youÂ’ll know
ThereÂ’s a place you can go

Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh

Oh so donÂ’t be afraid

If you trust the voice inside of you
ItÂ’ll guide you on your way
On your way

Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh

(scarlett) the world looks bright today but one day youÂ’ll want to cry
(scarlett) (ah-ah) and when your sky looks grey thereÂ’s one thing I hope youÂ’ll know
(scarlett) youÂ’ll find your secret garden, somewhere that you can go
(scarlett) (ah-ah) somewhere where you can grow
Scarlett
ThereÂ’s a place you can go

Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ad lib to fade
