

# The Missing

## Deerhunter

Open up my thoughts:  
tell me if you see  
some meaning.  
Oh take me all apart.  
Oh so that i can see  
the pieces.  
And I could walk for miles.  
And on every street's  
the same scene.  
Follow the telephone wire  
until I feel there's air  
beneath me.  
Oh if you don't mind,  
would you show to me  
the missing?  
Oh with my weak eyes  
I will only see  
the missing.  
Open up my heart.  
Tell me if you see  
some meaning.  
Oh take me all apart,  
so that i can see  
the bleeding.  
Oh if you don't mind,  
could you show to me  
the missing?  
Oh with my weak eyes  
I will only see  
the missing.  
And I would understand  
(I would understand)  
if you showed to me  
the missing.  
And I could understand  
(I could understand)  
if you showed to me  
the missing.  
And I would understand

(I'd understand)  
if you showed to me  
the missing.
