

# Rave On (feat. Zooey Deschanel)

M. Ward

Well, the little things you say and do  
Make me wanna be with you  
Rave on this crazy feeling, I know it's got me reeling  
When you say, "I love you," I say, "Rave on" I say, "Rave on," I say, "Rave on"  
My, my, my, rave on, I say, "Rave on" And the way you look when you say goodnight  
The way you make up when we fight  
Rave on this crazy feeling, I know it's got me reeling  
When you say, "I love you," I say, "Rave on" I say, "Rave on," I say, "Rave on"  
My, my, my rave on, I say, "Rave on"  
I say, "Rave on," I say "Rave on"  
My, my, my rave on, oh, my rave on Rave on, it's a crazy feeling  
I know what's got me reeling  
I'm so bad, you're revealing your love for me Rave on, oh, rave on tell me  
Tell me, tell me not to be lonely  
Tell me, tell me you love me only  
Rave on to me, oh, rave on to me Rave on, I say, "Rave on"  
My, my, my rave on, I say, "Rave on"  
My, my, my rave on
