

Modesty Blaise- Main Theme

Modesty Blaise

(Modesty, Modesty)

She is the shadow on your bedroom wall
She is the dream you never found
But then youâ€™ll find no time to dream at all
Whenever Modestyâ€™s around
Modesty, Modesty

Sheâ€™ll strike you dumb with just a single glance
Or just a single glancing blow
Exactly why she slays so many men
No man alive could ever know
Modesty, Modesty

Sheâ€™ll turn your head though she might use a judo hold
And on her shoulderâ€™s a chip made of solid gold

If youâ€™re a master of the underworld
Youâ€™ll be accepted in her queue
She is the perfect mistress of her art
She is the perfect mistress too
Modesty, Modesty
