

# Strange Magic

[Darren Hayes](#)

You're sailing softly through the sun  
In a broken stone age dawn  
You fly so high I get a strange magic  
Oh, what a strange magic  
Oh, it's a strange magic  
Got a strange magic  
Got a strange magic You're walking meadows in my mind  
Making waves across my time  
Oh no, oh no I get a strange magic  
Oh, what a strange magic  
Oh, it's a strange magic  
Got a strange magic  
Got a strange magic Oh, I'm never gonna be the same again  
Now I've seen the way it's got to end  
Sweet dream, sweet dream Strange magic  
Oh, what a strange magic  
Oh, it's a strange magic  
Got a strange magic  
Got a strange magic  
It's magic, it's magic, it's magic Strange magic  
Oh, what a strange magic  
Oh, it's a strange magic  
Got a strange magic Strange magic, strange magic  
Oh, what a strange magic, strange magic  
Oh, it's a strange magic  
Got a strange magic Strange magic, strange magic  
Oh, what a strange magic, strange magic  
Oh, it's a strange magic  
Got a strange magic  
Got a strange magic You know I got a strange magic  
Yeah, I got a strange magic  
Oo-o-o-oo, strange magic
