

# Down The Road

Kenny Chesney

When I was a boy Four houses down from me  
Was a family with an only child  
She was the only girl  
In this whole world that can make me smile Down the road  
I made up reasons to go  
Down the road Somewhere inside of me  
There was something she took a liking to  
Well, I ask her to marry me  
She said she really wanted to Down the road  
See what life's gonna hold  
Down the road Her momma wants to know  
Am I washed in the blood or just in the water?  
Her daddy wants to know  
If I make enough to take his daughter Down the road  
Before he could let her go  
Down the road And now down the street from here  
There's an engineer with an only son  
And our baby girl says  
She believes that he is the only one Down the road Her momma wants to know  
Is he washed in the blood or just in the water?  
And I wanna know  
That he makes enough to take my daughter Down the road  
When it comes time to go  
Down the road Down the road  
You know I wanna help her go  
Down the road Down, down, down that road  
Down, down, down that road
