Sit Up and Sweat

Radakka

Advisory - the following lyrics contain explicit language:

I took you for granted
Treated you with no respect
I guess I never knew the face that smiled at me
I fought so hard to believe in youSo here we go with our destruction
The bitter pill I'm forced to swallowI'm sorry so sorry for what I did to you
I guess I'll never know how shallow you've become
Sit up and sweatSharpen the dagger, the one you used on me
Clean off the guilt so you can breathe
You, you cut me so fucking deep
You'll never know how bad you tore me up insideSo here we go with our destruction
The bitter pill I'm forced to swallowI'm sorry so sorry for what I did to you
I guess I'll never know how shallow you've become
A little piece, piece of me still dying
And when you lie awake with guilt beside
Your bed you'll sit up and sweatI'm sorry so sorry for what I did to you
I guess I'll never know how shallow you've become
A little piece, piece of me still dying
And when you lie awake with guilt beside
Your bed you'll sit up and sweatDie young, sit up and sweat
Die young, sit up and sweat
Die young, sit up and sweat
Die young die young die young
We die we die young
