Guilt Trip

Tracy Lawrence

Don't need no atlas

Where I'm goin' ain't up to me

I'm just a passenger

Ridin' with an old memoryI can stay in my pajamas

Lay here on the couch alone

I won't need my keys, ain't gonna be

Leavin' the comforts of my own home'Cause I'm goin' on a guilt trip

Draggin' all the baggage she left behind

Goin' on a guilt trip

My heart's at the wheel and it's drivin' me out of my mind

We're makin' record time

I'm goin' on a guilt tripI never know when I'm leavin'

Or when I'll be comin' back

I might go any time

A guilty conscience is always packedJust because you're lookin' at me

Don't assume that I'm all there

In the blink of an eye, I'll go back in time

I can leave from anywhere, yeah'Cause I'm goin' on a guilt trip

Draggin' all the baggage she left behind

Goin' on a guilt trip

My heart's at the wheel and it's drivin' me out of my mind

We're makin' record time

I'm goin' on a guilt tripAnd I'm goin' on a guilt trip

Draggin' all the baggage she left behind

Goin' on a guilt trip

My heart's at the wheel and it's drivin' me out of my mind

We're makin' record time

I'm goin' on a guilt tripI'm going, yeah

On a guilt trip

(Goin' on a guilt trip)

I'm going, yeah

On a guilt trip
