Dive in, close your eyes, you probably won't die. Its gonna be fun. What if, you try and you discover something new, you didn't know before that you could do, the world might actually remember you, so why don't you just have a go don't know till you try. dive in, close your eyes, you probably won't die, don't know till you try. dive in, close your eyes,its gonna be fun, its gonna be fun it'll probably be fun.
