

# Right Wing Of The Garden Triptych

## Cradle of Filth

Death darkens all  
Right wing of the garden triptych  
Left marks The Fall  
The middle ground apocalypticWhy stay the grim inevitable  
And play out with a whipmer?  
Fate is raising armies of our faithNow  
The future cows  
Before the vows  
Prophets thunder from the heavensWe seek to justify  
Our seed spread far and wide  
The eve that virtue died  
Bore witness to this plague  
Great Hellscape rape enflamed horizonsHere...This the sore beginning  
To the war to end all warsGotterdammerung  
Gotterdammerung, this hate brings fever  
Gotterdammerung  
Gotterdammerung, the great bereaverThrow wide splintered lichgates  
To the eldritch show's returnUnforgiving proof accurat begs this cruel rebirth  
A living fuel for the blaze of renewal, razing the earth  
Pariahs and Messiahs of the highest worth  
Fodder for the denizens of risen, hissing HellNothing screams out mercy more than  
Vivisection of the soul  
Gotterdammerung  
Gotterdammerung, all base deceivers  
Gotterdammerung, Gotterdammerung, Coddle Abaddon  
God, you got it wrong, now fall believersLiars and deniers, thick in the mire's grasp  
Treacherous and lecherous  
Retching a sick bloodbathPeace sits alone  
Midst the desecration sewn  
Like a stony queen of winter, thronedThis the penalty for lust  
Long dreaded, read in scripture  
Vain pleasures fed to paint this...Now  
The future cows  
Before the vows  
Prophets thunder from the heavensWe seek to justify  
Our seed spread far and wide  
The eve that virtue died  
Bore witness to this plagueGreat Hellscape rape enflamed horizonsHere...Gotterdammerung  
GotterdammerungA twilight for bone idols, sewer-suicidal from the heights

A dead man's stance to prayer, deafened ears to mortal plight  
Pleas and effigies, clergy bang to rites  
Belief is superficial when the missals dance alightDeath darkens all  
Right wing of the garden triptych  
Left marks The Fall  
The universe is, at worst, ecliptic
