

Tomorrow

[Tate Stevens](#)

Tomorrow I'm gonna leave here
I'm gonna let you go and walk away like every day I said I would
And tomorrow, I'm gonna listen
To that voice of reason inside my head telling me that we're no good[Chorus:]
But tonight I'm gonna give in one last time
Rock you strong in these arms of mine
Forget all the regrets that are bound to follow
We're like fire and gasoline
I'm no good for you
You're no good for me
We only bring each other tears and sorrow
But tonight, I'm gonna love you like there's no tomorrow Tomorrow I'll be stronger
I'm not gonna break down and call you up when my heart cries out for you
And tomorrow, you won't believe it,
But when I pass your house,
I won't stop no matter how bad I want to[Chorus:]
But tonight I'm gonna give in one last time
Rock you strong in these arms of mine
Forget all the regrets that are bound to follow
We're like fire and gasoline
I'm no good for you
You're no good for me
We only bring each other tears and sorrow
But tonight, I'm gonna love you like there's no tomorrow Baby when we're good, you know we're great
But there's too much bad for us to think that there's anything worth trying to save[Chorus:]
But tonight I'm gonna give in one last time
Rock you strong in these arms of mine
Forget all the regrets that are bound to follow
We're like fire and gasoline
I'm no good for you
You're no good for me
We only bring each other tears and sorrow
But tonight, I'm gonna love you like there's no tomorrow Tomorrow, I'm gonna leave here
I'm gonna let you go and walk away like every day I said I would
