

# Bad 'N' Ruin

## Faces

Advisory - the following lyrics contain explicit language:

Mother, don't you recognize your son?  
Coming home, yeah, yeah  
Take me home  
'Cause I failed you, mother  
I'll be there in the morning  
If you'll have me back  
The rent up here is much too high for a room without a tap  
A room without a tap, whoo  
I'll be early in the morning  
And I'll find my way back home  
Back home, bad 'n' ruin with my tail between my legs  
Tail between my legs  
And I'll be so tired  
I'll be so tired, now, listen I'll be early tomorrow morning  
And I'll fall down off my plane  
Don't be embarrassed, mother, by your ugly worn-out son  
Your ugly worn-out son So just let me warn you  
Mother, you won't recognize me now  
Mother, you won't recognize me now  
Mother, you won't recognize me now And I'll be down on Cannon street  
Passport in my hand  
Should you not recognize me, I've heavily made-up my eyes  
Mama, you won't recognize me now  
Brother, you won't recognize me now, oh lordy  
Sister, you won't recognize me now  
Mother, you won't recognize me now So, mother, when you've seen me, don't forget I'm your boy too  
I know my brother has done you proud, he's one foot in the grave  
Mother, don't you recognize me now? I'm a burglar in the first degree  
But it don't seem to worry me  
I'll be so tired, so tired  
I'll be so tired  
So tired

So tired
