

# Mr. Ticket Man

Gotthard

No, no, no, no, no, no, no...Mr. Ticket man  
Get me out of this, I know you can  
Like a tin can man  
Hang me out to rust, a heart in hand  
Over and over, X-ray exposure  
Mr. Ticket man Never miss a trick to get your man  
Over and over again, Closer to your promised land  
Go... Go... Go... That's the ticket! Go... Go... Go...Mr. Ticket man  
Does it make you feel a braver man?  
Make me understand  
Are you building up a pension plan?  
Over and over, leaves of a clover  
Mr. Ticket man  
Do you think about your karma man? Over and over again, Closer to your promised land Go... Go... Go...  
That's the ticket! Go... Go... Go...  
Go... Go... Go... That's the ticket! Go... Go... Go...  
Go... Go... Go... That's the ticket! Go... Go... Go...  
Go... Go... Go... That's the ticket! Go... Go... Go...  
Mr. Ticket man  
Supersonic, are you flying man?  
Like a rocket man  
I heard you even put your wife in the jam, c'mon man! Over and over again, Closer to your promised  
land Go... Go... Go... That's the ticket! Go... Go... Go...  
Mr. Ticket man
