

# Barfly

Ray Lamontagne

Barfly  
Just a barfly, baby, uh huh  
Barfly  
Just a barfly, baby, uh huh  
Kiss me before you go  
I'm going low and lately  
Barfly  
A barfly, baby, uh huh  
Barfly  
Just a barfly, baby, uh huh

Slow down  
Slow down, you're movin' too fast  
Slow down  
Slow down, you're movin' move too fast  
Kiss me before you go  
I'm going low and lately  
Kiss me before you go  
I'm going low and lately  
I'm going nowhere  
I'm going nowhere...
