If We're Going Out, Let's Go Out In Style

Greeley Estates

Lets save the women
but lets save the children first
lets act like real men for once in or lives
we're going down straight to the ocean floor
to join the rest who have gone on before us
Don't be scared

Chours (Captain did tou fell the water rise) X2
It's all around you now
(Do you know where you're going when you die X2

Don't forget to say goodbye X4

Don't forget, don't forget don't forget to say goodbye
to the ones that served you well

Dont forget to say goodbye
dont forget dont forget
Don't be scared
(Do you know where you're going

(Captain did tou fell the water rise) X2
It's all around you now
(Do you know where you're going when you die X2

Captain did you feel the water rise?
Did you feel the water rise?
It's all around you now

Sunshine hides in the sky we're all just sinking Waiting to die X2

Gasping for air X6
Don"t forget to say good byeX2

Sunshine hides in the sky we're all just sinking Waiting to die X2

Captain don't cry
it was an honor to serve you
it"s just our time to die

(Do you know where your Going) X2
(do you know where your going when you die) X2

Sunshine hides in the sky we're all just sinking Waiting to die X2
