

# Look Away

## Hootie & The Blowfish

I saw her standing there  
Tears upon her cheek told me something was wrong  
I asked her what it was  
She looked away and said my daddy's home I knew what that meant  
It meant that I could never see her again  
I had seen this once before  
I didn't wanna deal with it anymore Look away she said, as she turned to me  
And when I tried to hold her  
I couldn't let her be  
Let her be, let her be I said why, why do you make me cry  
She said, I love you so, look away  
I don't wanna know  
I saw her standing there  
Tears upon her cheek told me something's wrong  
I said, what baby  
She looked away and said my daddy's home Look away she said, and she turned to me  
But darling, oh I loved her, couldn't let her be  
Let her be, let her be Look away, look away  
She said, I love you so, look away
