

# Crazy Love

Thea Gilmore

I can hear her heart beat for a thousand miles  
And the heavens open every time she smiles  
And when I come to her, that's where I belong  
I'm running to her like a river's song She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love She's got a fine sense of humor when I'm feeling low down  
And when I come to her when the sun goes down  
Take away my trouble, take away my grief  
Take away my heartache in the night like a thief Give me love, gimme, gimme, gimme, gimme, gimme crazy  
love  
Give me love, love, love, yes sir, crazy love Yes, I need her in the daytime  
Yes, I need her in the night  
But I want to throw my arms around her  
Kiss her an' hug her, kiss her an' hug her tight  
Kiss her an' hug her tight, through the night And when I'm returning from so far away  
She gives me some sweet lovin' brighten up my day  
It'll make me feel righteous, make me feel whole  
Make me feel mellow down into my soul Give me love, gimme love, yes sir, crazy love  
Give me love, gimme, gimme, gimme, crazy love I said she give me love, love, love, aww, crazy love  
She give me, yeah, crazy love I said give me love, love, love, love, crazy love  
She give me love, love, yes sir, a crazy love, one more time She give me love, love, love, love, she give me  
crazy love  
She give me love, love, love, yes sir crazy love
